FLORIDA  
INTERNATIONAL  
UNIVERSITY

## Greetings!

Each year, universities and colleges around the state of Florida rotate their efforts in hosting the annual NanoFlorida Conference. The annual conference has addressed critical needs of research students and faculty within the state of Florida. Most importantly, NanoFlorida conferences provide a forum for academic and industrial researchers to share their recent discoveries, exchange new ideas, and develop professional relationships that strengthen the state's nanobiotechnology research community. The nanobiotechnology industry supports NanoFlorida and its attendees by sponsoring trade booths and giving research presentations.

The focus for this meeting will be a NanoFlorida International Conference (NIC), held at Florida International University, in Miami, Florida from March 14 - 16, 2025. In addition to research presentations, the conference will provide new opportunities for students to network with researchers from Florida's leading academic institutions and the broader nanobiotechnology industry.

On behalf of the NIC Conference Committee, we would like to offer you the rewarding opportunity to connect your company's name with this educational event and demonstrate your company's support for the new generation of nanobiotechnology scientists in the state of Florida. Your support will enable us to continue to grow our academic mission in providing new initiatives that are responsive to the needs of our students, faculty, and community. We look forward to your participation.

Sponsoring the NanoFlorida Conference provides your organization with a unique opportunity to connect with leaders in the nano/biotechnology industry and academia. By partnering with us, you will:

- **Enhance Brand Visibility:** Your company's logo and advertisements will be prominently displayed on our website, brochures, event signage, and more, putting your brand in front of an audience of experts, researchers, and industry professionals.
- **Access to Top Talent:** Gain access to a pool of highly qualified students and researchers eager to collaborate and explore career opportunities. Sponsors have the exclusive ability to post job openings to the conference attendees and engage directly with potential hires.
- **Networking Opportunities:** Build relationships with key academic and industry leaders, positioning your company as a significant player in the future of nanobiotechnology. Sponsors can interact with attendees through dedicated booths, tables, and conference activities.
- **Showcase Your Research & Innovation:** Highlight your company's cutting-edge technologies and services to a specialized audience, reinforcing your commitment to supporting advancements in nanobiotechnology.
- **Support the Future of Science:** Your sponsorship directly contributes to the development of future scientific research and education, helping to nurture the next generation of innovators.

By sponsoring NanoFlorida 2025, you will not only gain valuable exposure but also align your brand with the leading edge of nanotechnology research and development.

Sincerely,

Florida International University  
Florida Association for Nanotechnology (FAN)

*Shyam Mohapatra (Co-chair)*  
Director of Div of Translational  
Medicine and Ctr Research &  
Research & Education in  
Nano-bioengineering, Morsani  
College of Medicine, University of  
South Florida, Tampa, FL

*Heidi M. Mansour (Co-chair)*  
Professor, FIU Center for Translational Science  
Program Leader, Drug Discovery and Delivery  
Program, FIU Center for Translational Science  
Professor (Tenured), Robert Stempel College of  
Public Health & Social Work, Dept of  
Environmental Health Sciences  
Professor, Herbert Wertheim College of Medicine,  
Dept of Cellular & Molecular Medicine  
Professor, College of Engineering and Computing,  
Dept of Biomedical Engineering

Florida International University, Port St. Lucie, FL

*Nezh Pala (Co-chair)*  
Professor, Department of Electrical  
and Computer Engineering  
Florida International University,  
Miami, FL

## Titanium-\$10,000

- Sponsorship noted in conference brochure and website
- Organization ad (full page) in brochure and website
- Organization logo and web address in brochure and website
- Organization logo recognition on event signage and general session slides
- Banner ad on website
- Acknowledgement at conference
- Company table (2)
- Complementary Registration (3)
- Access to registrants' contact information following the conference
- Option to provide items for conference bags
- Job posting to attendee email list
- Job posting on conference website
- Logo included on all other printed material

## Platinum-\$5,000

- Sponsorship noted in conference brochure and website
- Organization ad (3/4 page) in brochure and website
- Organization logo and web address in brochure and website
- Organization logo recognition on event signage and general session slides
- Banner ad on website
- Acknowledgement at conference
- Company table (1)
- Complementary Registration (2)
- Access to registrants' contact information following the conference
- Option to provide items for conference bags
- Job posting to attendee email list
- Job posting on conference website

## Diamond-\$2,500

- Sponsorship noted in conference brochure and website
- Organization ad (1/2 page) in brochure and website
- Organization logo and web address in brochure and website
- Organization logo recognition on event signage and general session slides
- Banner ad on website
- Acknowledgement at conference
- Company table (1)
- Complementary Registration (2)
- Access to registrants' contact information following the conference
- Option to provide items for conference bags
- Job posting to attendee email list

## Gold-\$1,500

- Sponsorship noted in conference brochure and website
- Organization ad (1/2 page) in brochure and website
- Organization logo and web address in brochure and website
- Acknowledgement at conference
- Company table (1)
- Complementary Registration (1)
- Access to registrants' contact information following the conference
- Option to provide items for conference bags

## Silver-\$1,000

- Sponsorship noted in conference brochure and website
- Organization ad (1/4 page) in brochure and website
- Organization logo and web address in brochure and website
- Acknowledgement at conference
- Company table (1)
- Complementary Registration (1)
- Option to provide items for conference bags

## Bronze-\$500

- Sponsorship noted in conference brochure and website
- Organization logo and web address in brochure and website
- Acknowledgement at conference
- Company table (1)
- Option to provide items for conference bags
